Dear Dave,

The Ellis County Ministerial Alliance and the Festival of Faith organizational committee are very pleased with the outcome of the special services and events in celebration of the year 2000, the turn of the century and the new millennium. The year and the events proved to be a spiritual advance for the people of Ellis County. The worship service of Sunday, December 31, 2000, was the culmination of a year of blessing. Much was accomplished in our cooperation as co-laborers in the work of the Lord.

Your participation in April, challenging the teens in the schools, recognizing our veterans, especially our Vietnam Veterans and your messages in April and for the New Years Eve Worship service, were blessings from the Lord. Your contributions were significant. You provided a vital part in making the year a success. We want you to know we truly appreciate your work and pray the Lord will bless you in your continued work around the world.

Thank you so much!

Sincerely,

Will Haworth
Festival of Faith Committee member
